**Re: Proposed Acquisition of Control of WellCare Health Insurance of Connecticut, Inc. and WellCare of Connecticut, Inc. by Centene Corporation  
Docket # EX 19-48**

Dear Attorney Bunevich:

The Connecticut Insurance Department ("Department") has completed its review of your submission of July 27, 2019 concerning the proposed acquisition referenced above which was in response to the Department's letter to you of July 23, 2019. We thank you for the completeness of your responses and request that you now incorporate those responses and your prior responses, where appropriate, in the filing mentioned hereafter.

At this point, please provide in hard copies and on a thumb drive amended and restated clean and black lined versions of the Form A rather than standalone amendments. This filing should also include any new or amended exhibits resulting from the amendments and restatements. Any prior filed exhibits not amended do not need to be re-filed.

If you have any questions, or would like to discuss, please let me know.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jared T. Kosky".
